The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

PATROL EQUITY PLAN

This correspondence is in response to your Board's motion on May 10, 2006, concerning the implementation of the Los Angeles County Sheriff's Department's (Department) Patrol Equity Plan, including updates on contract and unincorporated responsibilities by station, and how vacancies are being distributed.

On May 17, 2006, I presented to your Board my plan to equitably distribute patrol vacancies between contract cities and the unincorporated areas in Los Angeles County. The attached patrol staffing report (Attachment A) delineates the Department's staffing, vacancies, and the percentage of vacancies within each station's contract cities and unincorporated county area jurisdictions.

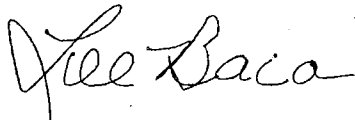

The Department's Recruitment Unit continues to make great strides in hiring personnel to fill patrol vacancies, and our recruitment campaign remains a top priority to surpass our hiring goals.

In the near future, I will be providing the Board with a new document, the Patrol Deployment Report, which is a more comprehensive document that includes patrol equity staffing. I will ask the Board to consolidate the May 10, 2006, Patrol Equity Plan motion with the Board's July 11, 2006, motion, requesting a report on my Equity Model Plan. The Patrol Deployment Report will prevent redundant reporting of the same statistics.

A Tradition of Service

If you have any additional questions or concerns, feel free to call me at (323) 526-5000 or Division Chief Marvin Cavanaugh, Field Operations Region III, at (323) 526-5712.

Sincerely,
